SNÖFRID FROM MEADOW VALLEY (VOL. 2). THE ABSOLUTELY INCREDIBLE JOURNEY TO THE ISLES OF FOG

Snöfrids actually prefer peace and quiet and adventures are not their cup of tea at all. But suddenly, Snöfrid has this strange sensation: Could it be wanderlust? Or even thirst for adventure? Then, when the wild geese send him a mysterious message on their journey, Snöfrid realizes that a hero is needed once again because a world is about to sink! "Hmm," Snöfrid says, which probably means, "Oh well, I guess I'll just have to save it." And before he knows it, he's off to another adventure. But he never expected it to be this stormy, wild, and dangerous...

Tilda Applesseed

and her Friends

Tilda Applesseed stands for cordiality and zest for life. All the little adventures with her and her friends are characterized by a special emotionality and a subtle humour. All characters are described in a loving, realistic way so that they enter the hearts of young and old alike. Tilda meets every challenge full of enthusiasm and with great self-esteem. She is always there for her friends and encourages them to discover the bright sides of life. The stories about Tilda Applesseed fulfill the dream of a peaceful, lovely life full of little happy moments you can share with your loved ones.

Tilda, the small mouse who is as white as the flowers of the elder bush, lives in a small apartment in the parish's church. Whenever someone is in need of help, she is there – with advice, a nice cup of tea, and delicious cookies.

Robin generally doesn't like small locations because he can't fly around. However, when Tilda invites him over for dinner, he just can't refuse – Tilda's dinner parties are legendary!

Not only is **Rupert Hedgehog's** appearance prickly, but so is his personality. Hedgehogs love their peace and quietness, but Rupert loves Tilda even more. She knows that Rupert is tough on the outside, but soft at heart.

Billy and Benny – the silly squirrels. Usually, the two are very well-behaved and just want to play. But they can't keep out of mischief! Fortunately, their mother **Edna** keeps watch over them.

Molly, the Mail-Mouse, is very similar to Tilda – but she worries all the time about this and that. Maybe that's why her hair is so grey???

EXPERIMENTS WITH HIERONYMUS FROG

Hieronymus Frog is a true genius. The world has never seen the kind of ingenious scientific discoveries he makes almost every day in the yard of No. 12, Ivy Road – or has it? Think, frog, think! Why shouldn't he open his workshop to the interested public and try out his super exciting experiments in collaboration with children? That won't just make his readers smart but will also be a milestone for science if not a major sensation ... The funny scientific research stories starring Hieronymus Frog invite young researchers to tinker to their hearts' desire. And the "big" researches of the Science Lab ensure that everything will run smoothly in the workshop at home and that everything is explained in an accurate scientific manner – with a happy KABOOM and lots of froggy humour!
