

Baby gives her mom a smile.
Mommy keeps it for a while.

She passes it to Mrs. Glass,
who shares it with her first-grade class.

The smile makes Sebastian beam.

He takes it to his soccer team.

Gramps walks the smile across the street,
and gives his neighbor, Anne, a treat.

Anne seals the smile in a letter . . .

One pup who's made his getaway
sees Baby, and he wants to play.

The mommy laughs, then she thinks *maybe*—
Pup gives the smile back to Baby!
