Name: Katharina Depken
Company: HarperCollins Germany

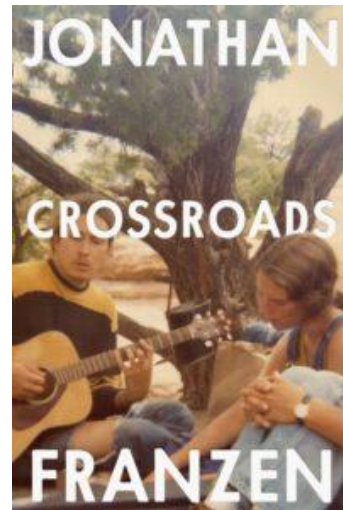

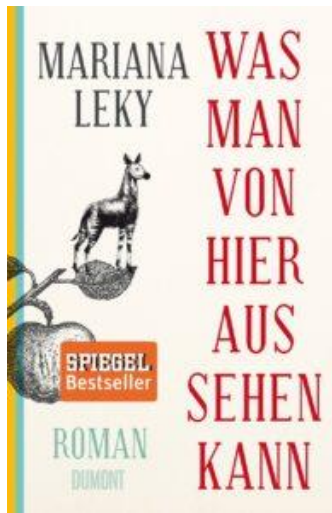

Question #1: Where and when do you read?

Basically whenever I find time (and my kids let me) and I don't fall asleep before even having started

Question #2: Which book have you most given as a present?

Oh, hard to nail down to only one! I rather tend to have a "favourite book of the season", for example Mariana Leky "*Was man von hier aus sehen kann*" or Benedict Wells "*Vom Ende der Einsamkeit*". Lately I really liked "*Alte Sorten*" by Ewald Arenz and "*Crossroads*" by Jonathan Franzen.

Question #3: What do you remember about your first book fair?

It was Bologna Book Fair in 2009 and I remember feeling to be in the exactly right place.

Question #4: Tell us the resolutions you have made for this year.

I'm sorry, I did not make any!

Question #5: Tell us about a bad habit, an obsession or a particular attitude you have picked up since starting to work at Harper Collins Germany

Uh...Spending a lot of money on going out for Lunch as there are so many nice places around our office
