Batthew Aromascent and the Missing Corpse Flower (series)

authors Ella Mulvey & John Roebuck

DRAFT COVER

New series!

A dazzling new middle-grade mystery series set in the rich world of fragrance!

When the world's largest and most pungent flower goes missing right before its grand unveiling, the smell-mad city of Candlenut is in uproar. Luckily, Batthew Aromascent, 11-year-old heir to the famed Olfactory fragrance house, and his best friend, Lavender, are on the case. It isn't just any missing flower, either. It's a legendary Titan Arum, grown from a seed that was sent by Batthew's parents – renowned noses, Roger and Joy Aromascent – before they vanished on an expedition deep in the jungle.

Batthew and Lavender have just three days to track the flower down before it wilts and dies, along with any clues as to his parents' whereabouts. But are they prepared for what they'll find in the darker corners of the fragrance world?

This irresistible new series has everything: captivating mystery, fast-paced action and slapstick comedy! Perfect for fans of *Nevermoor* and *The Wizards of Once*.

Maria Petranelli is Prepared for Anything (Except This)

author **Elisa Chenoweth**

DRAFT COVER

Winner of the
Amperand
Prize!

Grumpy/
sunshine YA
romcom!

Arrested Development meets *Elena Ferrante* in this screwball comedy about how to prepare for the worst.

Maria Petranelli feels her height, or lack thereof, is a curse. It gives people the impression she is cute. And cute people are never taken seriously. So when her family declares she 'couldn't handle living in Italy', she immediately signs up to go there on student exchange.

Yet Maria's family is right. In Italy, she is out of her depth – by the language, the traffic, and by her confusing attraction to Kennedy, the tall, sweet-but-hopeless American student who seems to like her back.

The two girls are thrown together in the most bizarre circumstances when they are witnesses to both a coincidence and a crime (a heart attack and a murder – not that either can tell the difference), and forced on a cat-and-mouse chase across Italy to save their own lives. All the while battling feelings for each other that are, at the very least ... inconvenient.

Maria Petranelli is prepared for anything. Except this.

Philomella and the Impossible Forest

author **Doris Brett**

Mystery, humour and sparkling magic combine in this middle-grade fantasy-adventure novel.

A were-dragon? A talking tree?

Saving a world she didn't know existed? ...

Philomella's having an unusual day.

When Philomella is drawn into the Impossible Forest – a place where anything can happen and usually does – she's headed for all the adventure she never wanted. There's a belligerent princess to rescue, trolls to battle and a treacherously bewitching river to cross ... and that's just for starters. They're all part of a mysterious enemy's grand plan to destroy both the Forest and Philomella – and in this world of strange and dangerous magic, she'll have to beat her deadly opponent using only her brains. And so, joined by some oddball companions (including a picnic basket with attitude, a boy whose ancestors were trees and a grandmother with weaponised kitchenware), Philomella sets out to do the impossible.

Can Philomella save the Forest? And can she also learn how to save herself?

New Non-Fiction

Your Brilliant Brain

author & illustrator **Philip Bunting**

Take a deep dive into the mysterious and beautiful thing that is your brain!

It's easy to argue that the human brain is the most extraordinary thing in the known universe. But there is so much we don't know about the thing behind our eyes. Where do thoughts come from? Why do we dream? Why do we get brain-freeze? Why?! Okay, that last one we do know the answer to.

But there is much to learn – and much fun to be had – by taking a quick poke around the human brain (which would feel a bit like tofu, if you did poke it). Told with Philip Bunting's inimitable wit, this new non-fiction picture book will explore the most fascinating part of the human body – the bit that makes you YOU, your brain.

Extraordinary Elephants, Sensational Sharks (series)

authors **Tim Flannery & Emma Flannery** • illustrator **Katie Melrose**

New series!

A brilliant non-fiction picture-book series, written by real-life explorer and scientist Tim Flannery.

There's so much more to elephants than their enormous size! Have you heard about their excellent memory or their adorable sense of humour? Did you know that they actually walk on their tippy toes? And wait till you see who their cousins are – you're in for a surprise!

Come along on an exciting expedition with the world-renowned scientist and explorer Tim Flannery and his daughter Emma as they spotlight some of the world's weirdest and most fascinating creatures that children obsess over.

Deep dive into this incredible picture-book series and discover the most beloved and surprising creatures around the world!

Have you ever heard about the cookie-cutter shark, which bites out cookie-shaped morsels of flesh from much larger animals than itself? Or the goblin shark, which was thought to have become extinct 100 million years ago until a living specimen was discovered in 1898? And did you know that the whale shark has jaws the size of a 12-year-old child?

Professor Tim Flannery is one of the world's leading scientists, explorers and conservationists.

His daughter **Emma Flannery** is a science communicator who writes with an infectious enthusiasm that inspires curiosity in children and adults alike.

A Recipe for Magic Potion

author **Jack Henseleit** • illustrator **Natasja Horne**

This gorgeously illustrated picture book is a love letter to playing outside.

To make a magic potion, you will need these things:

*A friend (or two or three)
A bucket or a pot
Or a hole
And – ingredients.*

At first glance this story could be seen as a set of instructions on how to brew a magic potion, the ingredients of which are familiar – mud, a leaf, some sand. But as the story unfolds, the two children at the heart of this story let their imaginations run wild as they take the reader on a glorious, lyrical journey outside.

Maymoona's Moon: A Special Eid Story

author **Razeena Omar Gutta** • illustrator **Zayneb Haleem**

A heartwarming, celebratory story about waiting for Eid.

Ramadan is almost over, and the hullabaloo is contagious!

Eid-al-Fitr is a joyous time of year for Muslims. It marks the end to Ramadan, a holy month of fasting, praying and deep spirituality – so the build-up to Eid is exciting and exuberant. Food, gifts and decorations take centre stage, but sighting the crescent moon in the sky is the first sign that Eid can begin. In this gorgeous picture book about anticipation, celebration and tradition, Maymoona – self-proclaimed future astronaut – cleverly finds a way to be the first to see the crescent moon, and to announce that Eid has begun.

To hurt a shadow
Is surely a crime

When Etta steps on Baawaa's (her sister's) shadow, she learns of the Shadow Taboo, and learns to value the personal space of others, as well as her own.

This beautifully told story invites readers to not just be aware of their bodies, but to be aware of their bodies in context.

The Most Boring Book in the World (series)

author **Charlie Leahy** • illustrator **Darcy Prendergast**

Book 2
coming
2024!

A hilarious and delightfully clever picture book that breaks the fourth wall.

This is not just any boring book – it is THE MOST BORING BOOK IN THE WORLD! That is why nothing exciting, funny, or even remotely interesting is allowed in it ...

Our narrator, represented by a pair of bespectacled eyes on the page, really *really* wants the book to have only boring things in it. Like a grey cardigan. Or a potato.

But the reader can't help but put weird and wonderful things on every page, frustrating the narrator all the way to the end.

Kids will delight in the opportunity to watch the rules being tossed aside for the sake of joyous silliness!

Jedda Robaard

Jedda Robaard is a children's book illustrator and author whose work is well known in Australia and internationally, having been published in many languages, including English, French, Dutch, Greek, Italian and Chinese. Book illustration is an opportunity for Jedda to create little worlds where characters can play, unhindered by society's restrictions. Jedda says, referring to the style of her art, 'The majority of my illustrations have been created simply with pencil and watercolour. They are just puddles of colour if you like. Puddles manipulated into tiny beings with feelings, obligations and agendas.'
