A story inspired by the women of the Pack Horse Library.

Three great adventures of a brave girl and the best horse in the Wild West.

In the mountains of Appalachia, during the harsh years of the Great Depression, Molly Wind and her horse Carson live a thousand adventures on their rides, bringing library books to the most isolated farms. Some may think Molly is just a 10-year-old girl, but she knows she's much more —she's a librarian on horseback!
