When Louisa wins one of the rare scholarships to Highclare Academy, she hopes her life will have a new beginning. But all the luxury is merely a façade, because behind its walls the Academy is seething with unrest. Everybody has a secret. Very soon Louisa realizes that she can't trust anyone. Only the unapproachable Theo, who has impressed her through his work with his horses, seems to have distanced himself from the circle. Even though she senses that it would be wiser to stay away from him, the two of them gradually get closer to each other. Eventually she has to ask herself whether her feelings are strong enough to stand up against Theo's secrets.

At the end of the 19th century in a small town on the Rhine River, an innocent family is deprived of their existence because of unfounded hate and prejudices. The town is roused from its everyday routine – a child has been murdered. As the criminal is not immediately found, a few mean-spirited people point the finger of suspicion at the Jewish livestock dealer Waldhoff. A veritable witch hunt begins, where even the good-willed people watch in silence in their cowardice. Only a half-grown boy dares to swim against the stream; he clings to his unshakable friendship with the son of the accused.

Emilia has a list of special dreams: she wants to learn to play the piano, go to a concert, or simply know how the rain sounds. Behind each of these points, however, is a big challenge, because Emilia is almost deaf. That coincidence makes her encounter Nick, seems like a bad joke to her, because the boy with the crooked grin shows much more interest in parties than in music. But while Emilia pursues her dreams, the two meet again and again - and it seems that both Nick's loud and Emilia's silent world are not so far apart ...

Hundreds of thousands of fans followed Gideon and Gwendolyn's outrageous adventures throughout the centuries. Week after week Smaragdgrün (Emerald Green) as well as Rubinrot (Ruby Red) and Saphirblau (Sapphire Blue) sell in numbers that usually make up the whole published lot. All three were on SPIEGEL Bestseller List for months. Our competitors are emerald green with envy!

The Timeless Love Trilogy is thrilling, funny and sooo romantic at the same time. One day, fifteen-year-old Gwen finds out that she has a time travel gene and jumps back unexpectedly in time. And she finds out that she isn't the only time traveller; there is actually a whole secret society in London. And then she finds out that one of the time travellers is very attractive and cute: Gideon. But falling in love isn't that easy when you jump back and forth in time and have to fulfil a dangerous mission in the 18th century.
