You must be kidding! Hester’s teenage skin is even paler than it used to be, she’s suddenly allergic to the sun, and if she wants to go swimming outdoors, she has to wear a diving suit! There’s no way she can possibly tell her best friend Stella about it – she’d think Hester has gone off her rocker. In any case, she thinks all vampires are stunningly beautiful and romantic. Lol. And if Hester’s family ever got wind of the fact that she’d suddenly become a vampire, that would be the catastrophe to end all catastrophes. Because they are VAMPIRE HUNTERS! Aaaaaaargh!

Preschool

My Picture Reading Book

- A story to read along age 5+
- Pictures replace nouns
- Including reading puzzles

The Book Bear series “My Picture Reading Book” is geared to children at preschool age. The nouns are replaced by pictures, so that even children who have not yet learned their ABCs can “read along”. That makes them curious and wanting more. In addition, puzzles at the end of the book entice the children to talk about the story. After all, children who have plenty of opportunities to speak also learn to read faster.
